Thank you for the time and effort involved in filling this form out. We appreciate your dedication to our cause. The Development Committee will distribute your questionnaire to its members and a vote will be taken. If your city is chosen we will contact you immediately and start the process rolling. Please be aware we can only consider four cities in any given year, due to the amount of work involved in the review process. If we like your city but cannot consider it for the next year's conference, we will put it on the short list for future years. We must have all proposals for the following year in, on or before the conference.

Thank You for your support!
